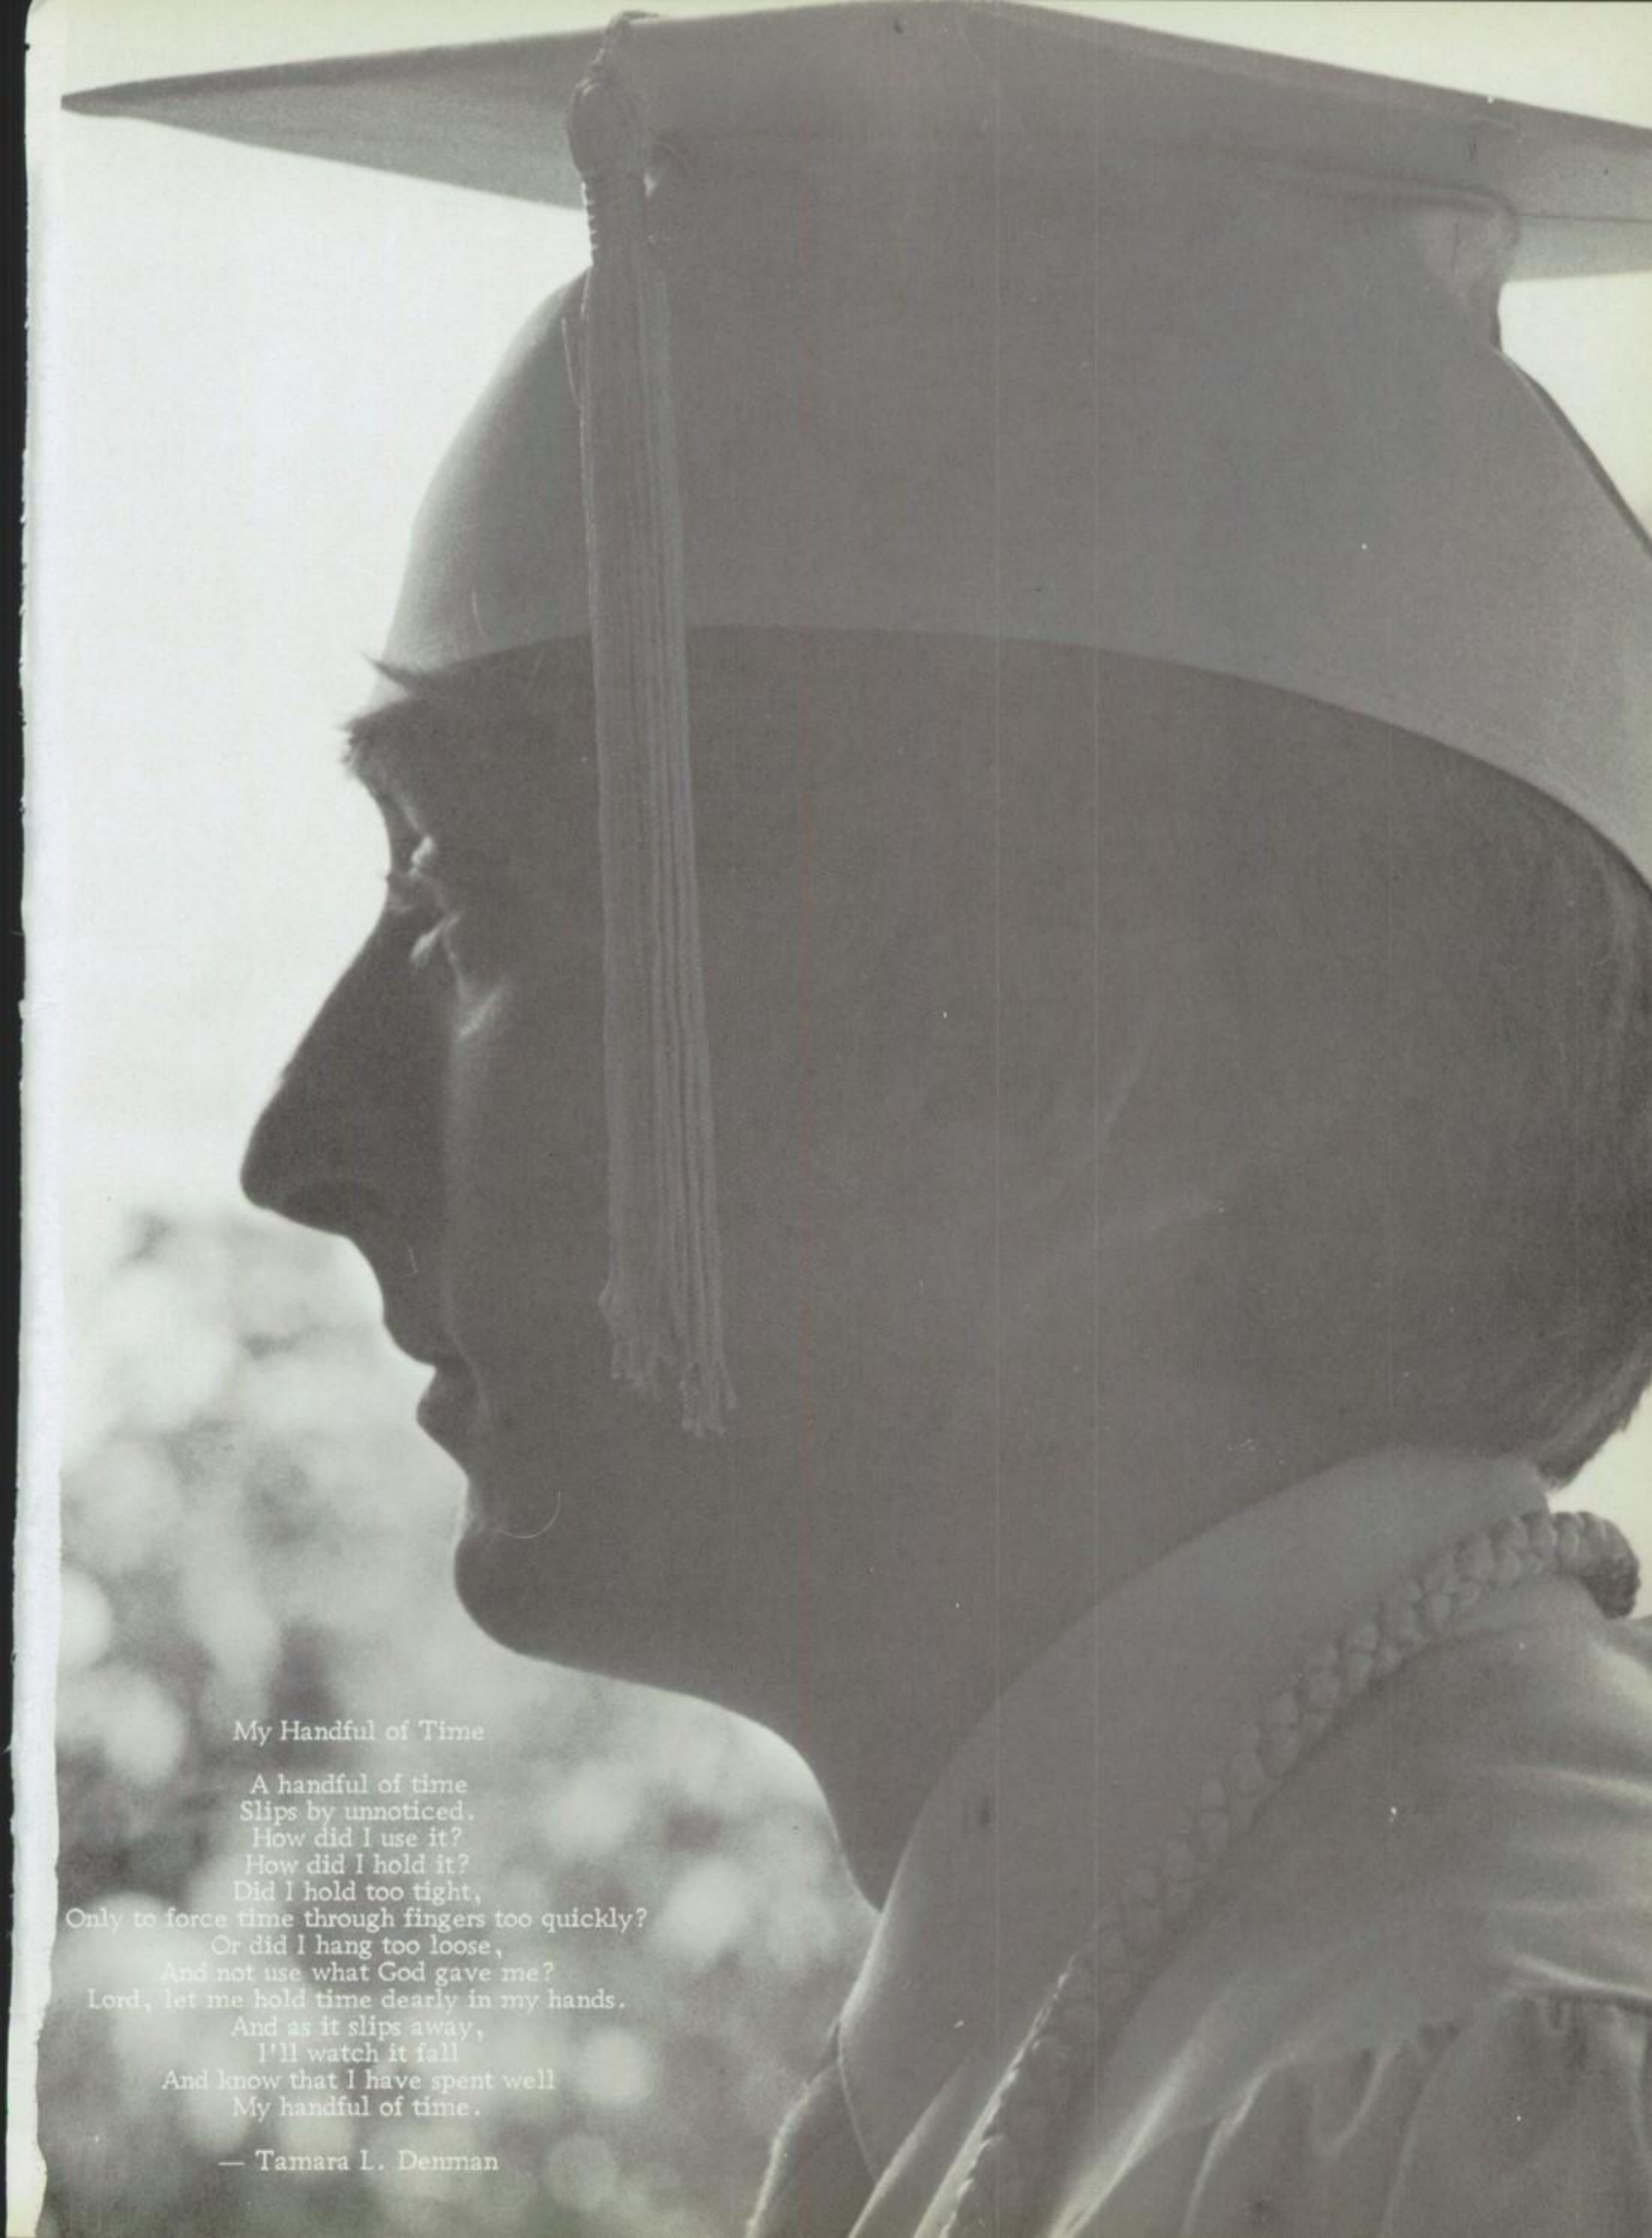
SOHIRAY



My Handful of Time

A handful of time
Slips by unnoticed.
How did I use it?
How did I hold it?
Did I hold too tight,
Only to force time through fingers too quickly?
Or did I hang too loose,
And not use what God gave me?
Lord, let me hold time dearly in my hands.
And as it slips away,
I'll watch it fall
And know that I have spent well
My handful of time.

Mrs. Dorothy Folk Retires After 25¾ Years As Cafeteria Worker And Manager

Mrs. Folk started working in the original kitchen in September of 1952 as a substitute cook. She was hired in November of the same year as full time help. During the 1972-73 school year, Mrs. Folk became the Head Manager. She has served our cafeteria for 25 3/4 years. She enjoys being around people and loves to cook. Now, Mrs. Folk intends to relax and enjoy being with her husband more.

The Sohiray Staff Recalls The Past

1938-1979. Forty-one years have passed since Ayersville opened its doors to the high school grades. Several changes have been made to the building in order to allow for the growing number of students and to update the facilities. The Sohiray Staff wants to take you back in time to see if you remember when ...

1 ... the hallway connecting the middle school to the high school was a lunch room? Many hungry students sat in this hallway eating their daily lunch. In front of what are now double doors, a teachers' table was located. The teacher watched over the students during the lunch period.

2 ... Mrs. Stritt's kindergarten room was the industrial arts room? The industrial arts room is now located in the high school.

3 ... the lunches were served in what is now a part of the furnace room.

4 ... the teachers' lounge was the girls' shower room.

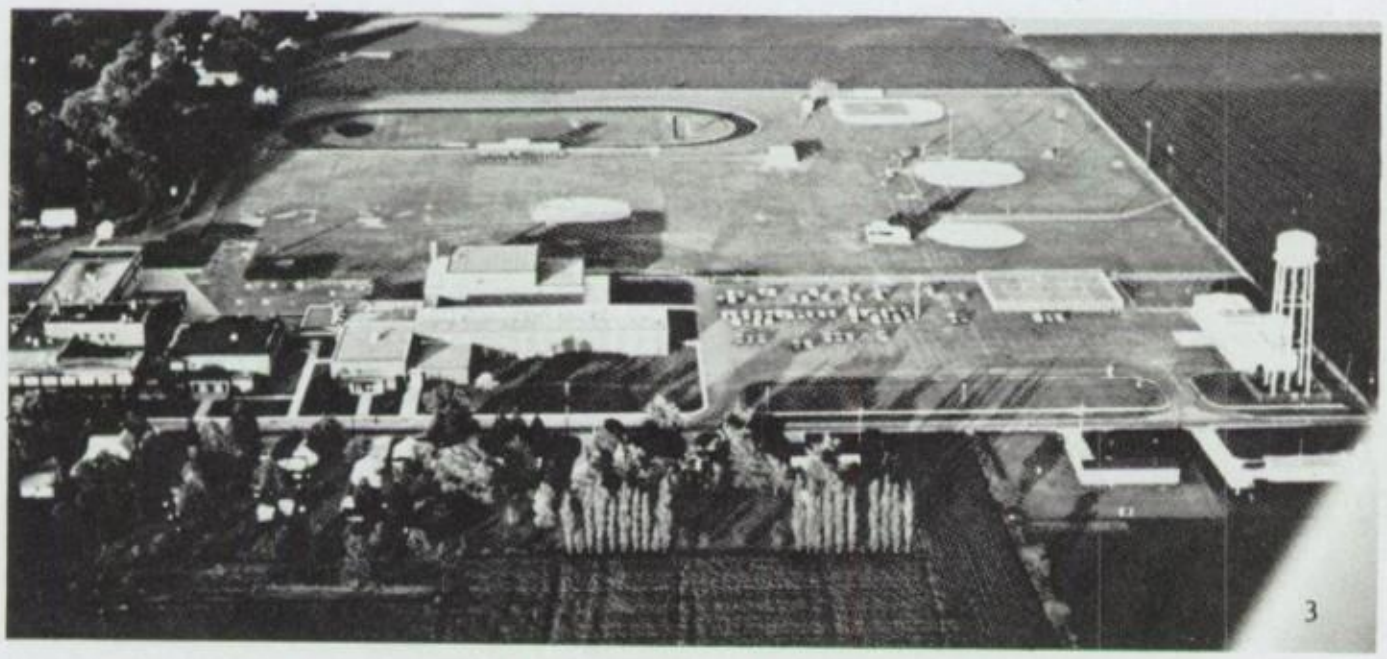
The History Of Our School's Construction

In the fall of 1937, the voters of Highland Township approved a bond issue, which, together with a grant from the Federal Government, made possible the erection of a new centralized school building. This building replaced the several one-room buildings, the two-room grade building at Ayersville, and the two-room grade and high school building at Highland Center. Citizens of Richland Township soon began to take an interest in the project. In July of 1938, South Richland Township joined Highland Township in one school district.

Along with the construction of the school came the hiring of teachers. The nucleus of the teaching staff was selected from teachers who had taught in Highland Township. Mr. Lindemuth was selected as principal.

Registration was held on September 22 and 23. The first few weeks were hectic, as teachers had to hold classes while construction workers were working. On November 20, the "new school" was open for public inspection. In the evening, approximately 1000 people were present for the official dedication program.



1) This is a picture of the Highland South Richland school in 1938. 2) This is an aerial view of the school in October, 1971. 3) This is an aerial view of the school taken after the pool was constructed.

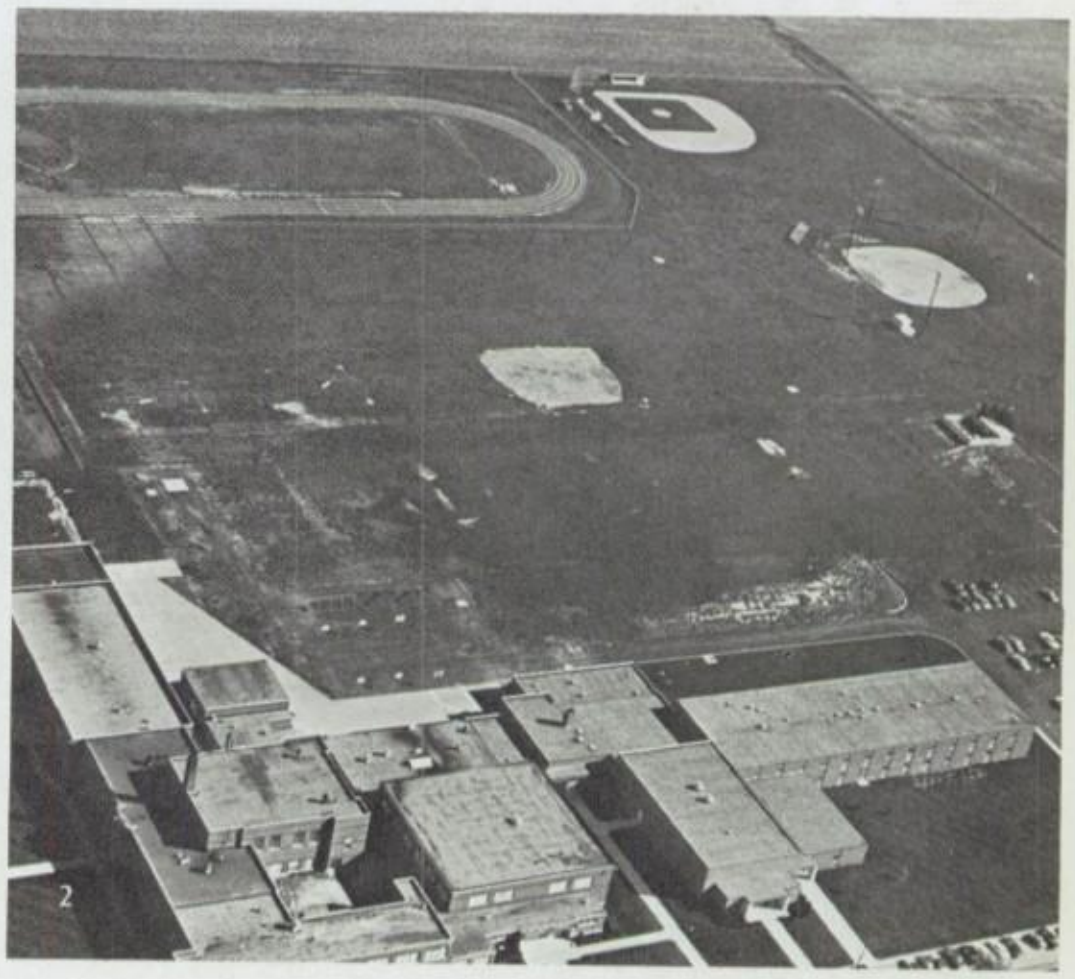
In 1952, the first addition to the school consisted of the west wing of the middle school, Vo Ag and Industrial Arts rooms, and the new Gym. The rooms in the new wing were used for high school classes.

In 1959, the music room and the main elementary building were added. The music room, which is now the band room, was used for vocal and instrumental classes.

In 1964, four elementary rooms were added to the east wing of the elementary building. At the same time, the middle school offices and board room were remodeled.

In 1967, the high school building was constructed. This addition consisted of 18 classrooms, the auditorium, cafeteria, high school office, guidance office, library, and a study hall. The bus barn and the track were also added in 1967.

The latest addition to the school has been the pool, a football and track stadium, and an out door concession stand, which were added in 1974.



Large Enrollment Causes An Increase Of Staff

In 1938, the elementary faculty consisted of six teachers. Row 1: Mr. Paul Meyers, Sixth grade; Miss Mary Alice Fender, Fourth grade; Mr. Don Marshall Fifth grade. Row 2: Miss Marjorie Stone, Third grade; Miss Ruth Weisz, Second grade; Miss Elizabeth Shumaker, First grade.

In 1938, the high school teaching staff consisted of seven teachers. Row 1: Miss Marian Steingass, Home Ec., Latin, English; Miss Vivian Eberle, Music, English; Miss Jane Roland, Commercial Subjects, English. Row 2: Mr. Cloyd Williams, Indus. Arts, General Science, Physical Education; Mr. Reuel Kennedy, Algebra. Physics, Geography, Agriculture, Health; Mr. B.M. Lindemuth, Principal, Mathematics; Mr. Raymond Onsted, History, Social Science.

Three different schools of administration have been created at Ayersville due to the large enrollment of students. They are the elementary, middle school, and high school.

The number of teachers has also increased. The 1978-79 elementary teaching staff consists of 22 teachers. In 1954 a kindergarten class was added to the elementary section. Ayersville presently has four kindergarten sections.

The 1978-79 middle school teaching staff consists of 16 teachers. The high school staff has 24 teachers.

Formerly there was one principal for all schools. This principal was also employed as a full-time teacher. Presently, there are three principals and one superintendent at Ayersville.

Other personnel, in additi on to faculty members, were added to the staff. Study hall monitors, librarians, secretaries, bookkeepers, guidance counselors, teachers' aides, playground assistants, janitors, a maintenance worker, bus drivers, cafeteria workers, and a bus mechanic also contribute to the day to day functioning of the school.

Consolidation Changes Board Members

Top Row: Mr. Orville Hale, Mr. Harvey Baringer, C.F. Stenger. Bottom Row: Mr. Ray Stork, Mr. Ward Woodward, Mr. Ed Geiger, Mr. Glen Hire.

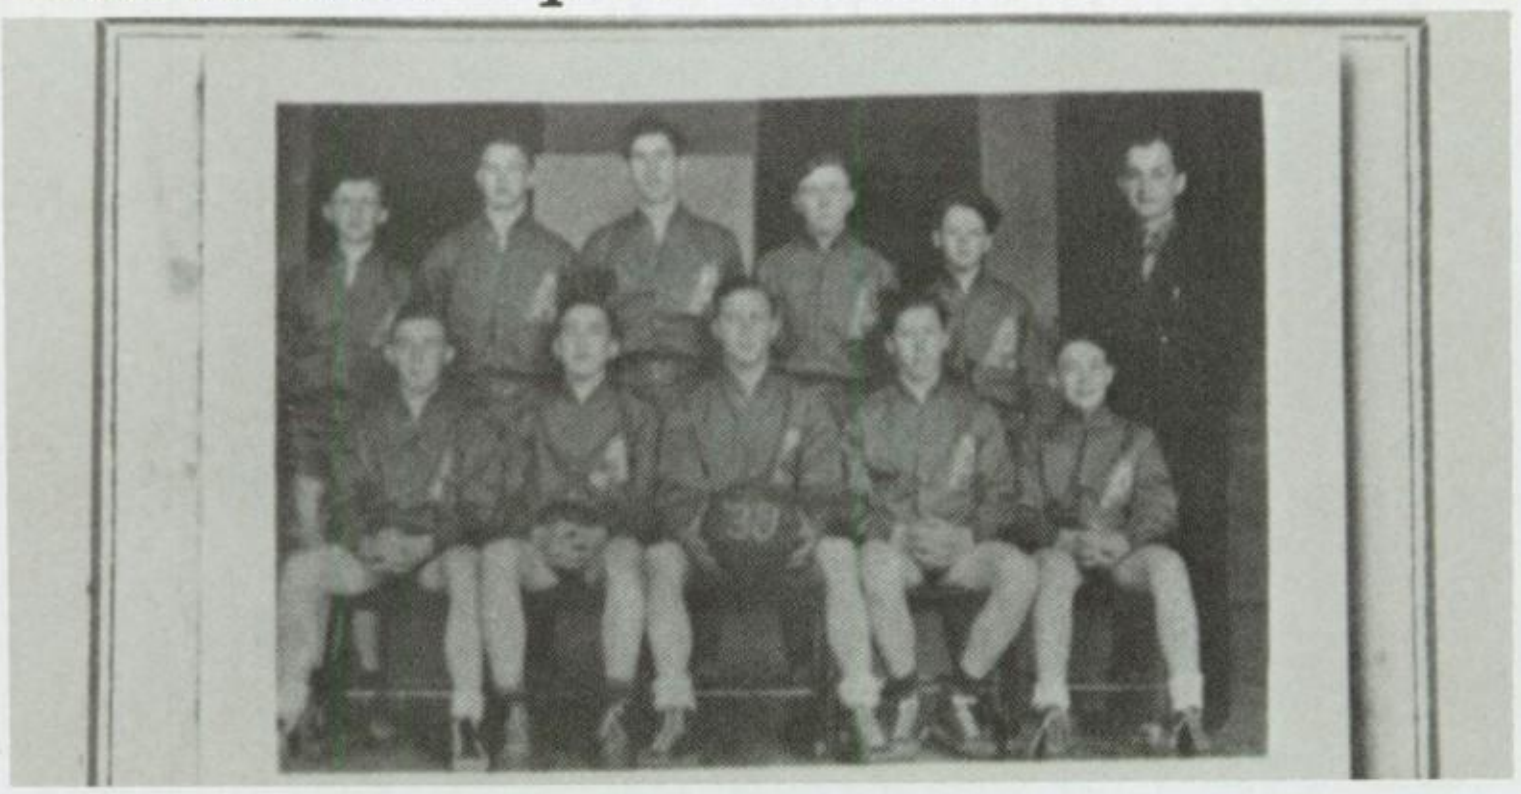
The Highland Township Board of Education, as elected in the fall of 1937, consisted of Mr. Baringer, Mr. Stenger, Mr. Woodward, Mr. Hale and Mr. Stork. They began to serve in January, 1938, with Mr. Baringer, president; Mr. Woodward, Vice-president; and Mr. Stenger, Clerk. Upon the merger of South Richland Township with Highland Township this board was dissolved. Mr. Baringer, Mr. Woodward, and Mr. Stork were reappointed to the new board. Mr. Geiger and Mr. Hire were appointed from South Richland Township. The new Board retained the same officers.

First Class To Attend AHS Twelve Years

Row 1: Jackie Limber, Catherine Goble, Evelyn March, Donald Mohr, Milo Crockett, Kathryn Hahn, Marilyn Engel, Paul Ort, June Hale. Row 2: Lee Deffenbaugh, Charles Atailey, Walter Schappert, Charles Kunesh, Mary De Tray, Wilbur Vogel, Lyle Rau, Lucille Eis. Row 3: Lavon Wiseman, Junior Bolley, Orval Schomburg, Raymond Bott, Betty Lou Street, Jane Baringer, Sharon Greenler, Donna Degler, Robert Street, Miss Elizabeth Shumaker.

The above picture is the first grade class of 1939. The class had an enrollment of 30 students at the beginning of the school year. At the close of the year, the first grade had 28 students in its class. This class was the first to have spent all 12 years at Ayersville. During the 12 years that these students spent in school, many changes took place. The regular school program enlarged to include Girls' Athletic Association, Parent-Teacher Association, Band, one choral group, Latin Club, and the Future Teachers Association.

Extra Curricular Sport Activities Consist . . .



Row 1: Marvin Marshall, Marvin Lindemuth, Don Weber, Paul Cowle, William Marshall. Row 2: John Kurivial, Arthur Fillman, Bill Wyrebaugh, Harlan March, Bill Cowle, Coach Cloyd Williams.

The 1938-39 varsity basketball team consisted of three seniors, four juniors, four sophomores, and seven freshmen. Bill Marshall was elected by his team mates as Honorary Captain for the year.

. . . Only Of Basketball And Baseball

Row 1: Virgil Wolfrum, Marvin Lindemuth, Bill Marshall, Bill Wyrebaugh, John Kurivial, Marvin Marshall, Eugene Mansfield, Arthur Fillman, Virgil Mentley. Row 2: Coach Cloyd Williams, Robert De Tray, Victor Mentley, Robert Smith, Darrel Browns, Don Mix, Paul Cowle, James Hill, Harlan March, Jay De Tray, Valmer Browns.

The baseball team consisted of five seniors, three juniors, eight sophomores, and four freshmen. Their season was cut short by the heavy rains which limited practices and games.

The athletic extra-curricular activities have increased immensely during the past 40 years. In 1938, the only school sports were boys' baseball and basketball. Ayersville now has 11 different sport activities. They are golf, cross country, boys' and girls' swimming, football, wrestling, volleyball, boys' and girls' basketball, water polo, boys' and girls' tennis, boys' and girls' track, and baseball.

Not only have the number of activities increased but so has the coaching staff. In 1938, there was one coach for both the baseball and basketball teams. This coach was also employed as a full time teacher in academic subjects. Now we have a coach for every sport. This coach also has assistants working for him. During the 1978-79 school year, Ayersville High School had 12 people on the coaching staff.

Number Of Musicians Increase At AHS

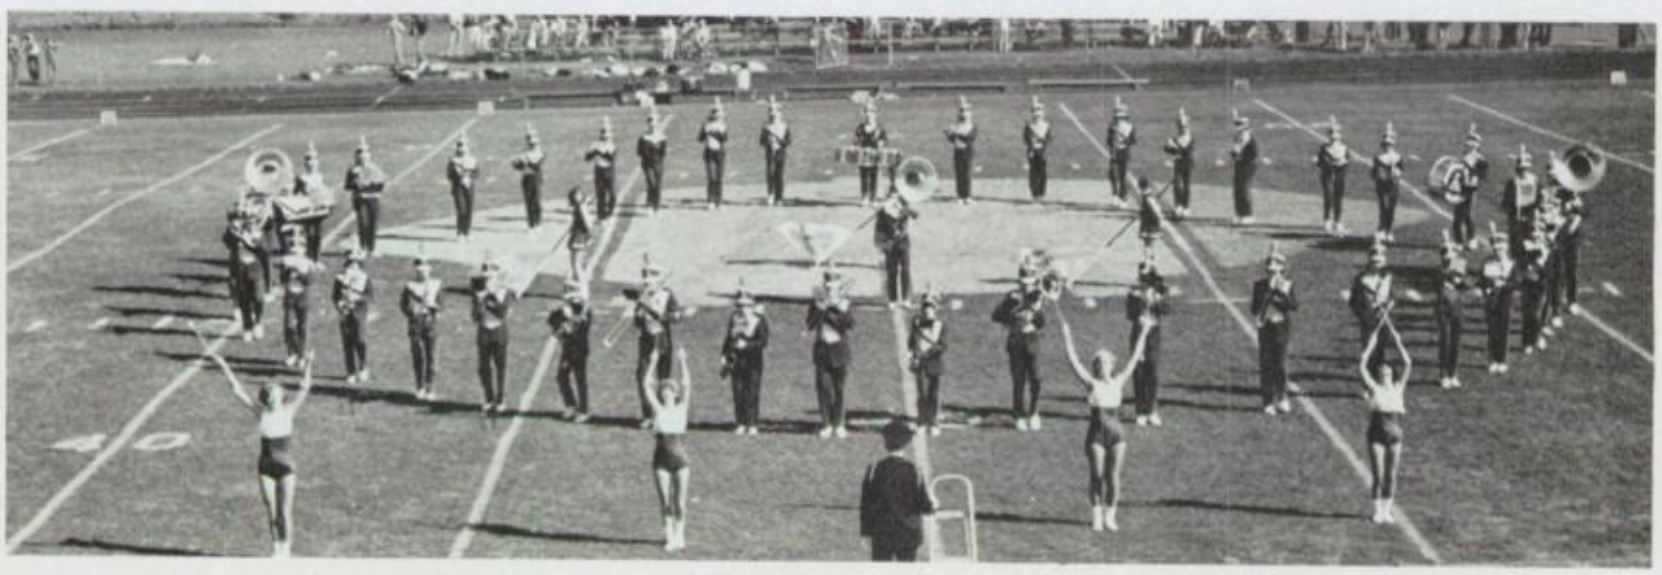
Row 1: Clyde Limber, Bill McClymonds, William Cowle. Row 2: Harold Roth, Mary Carlson, Marvin Lindemuth, Virgil Mentley, Evelyn Davis, Sara Bell Rohn, LaVern Roth, Mildred Peck. Row 3: Norma Peck, Lester Stenger, Inga Stenger, Ann Baringer.

The above picture was taken in 1938 of the first high school band. With the exception of one player, all were beginners that year. Some had to be taught not only to play their horns, but to read music as well. Their first public performance was at a P.T.A. meeting.

During the 1978-79 school year, Ayersville had five instrumental bands: Cadet Band, Junior Band, Marching Band, Pep Band and the Concert Band.

In 1938, choir was a required subject. Now, chorus is considered an extra-curricular activity. In the high school, there are now four vocal groups: Men's Chorus, Women's Chorus, Command Performance and the A Capella Choir. In the middle school there are also four vocal groups: Boys' Glee, Girls' Glee, Kids Factory and the 5th and 6th grade choir. Choir is still a required subject through the sixth grade.

During the 1938-39 school year, there was only one music instructor, Miss Vivian Eberle. She taught vocal and instrumental music. During the 1978-79 school year, there were two vocal and one instrumental instructors.



The present Marching band performs at a football game.

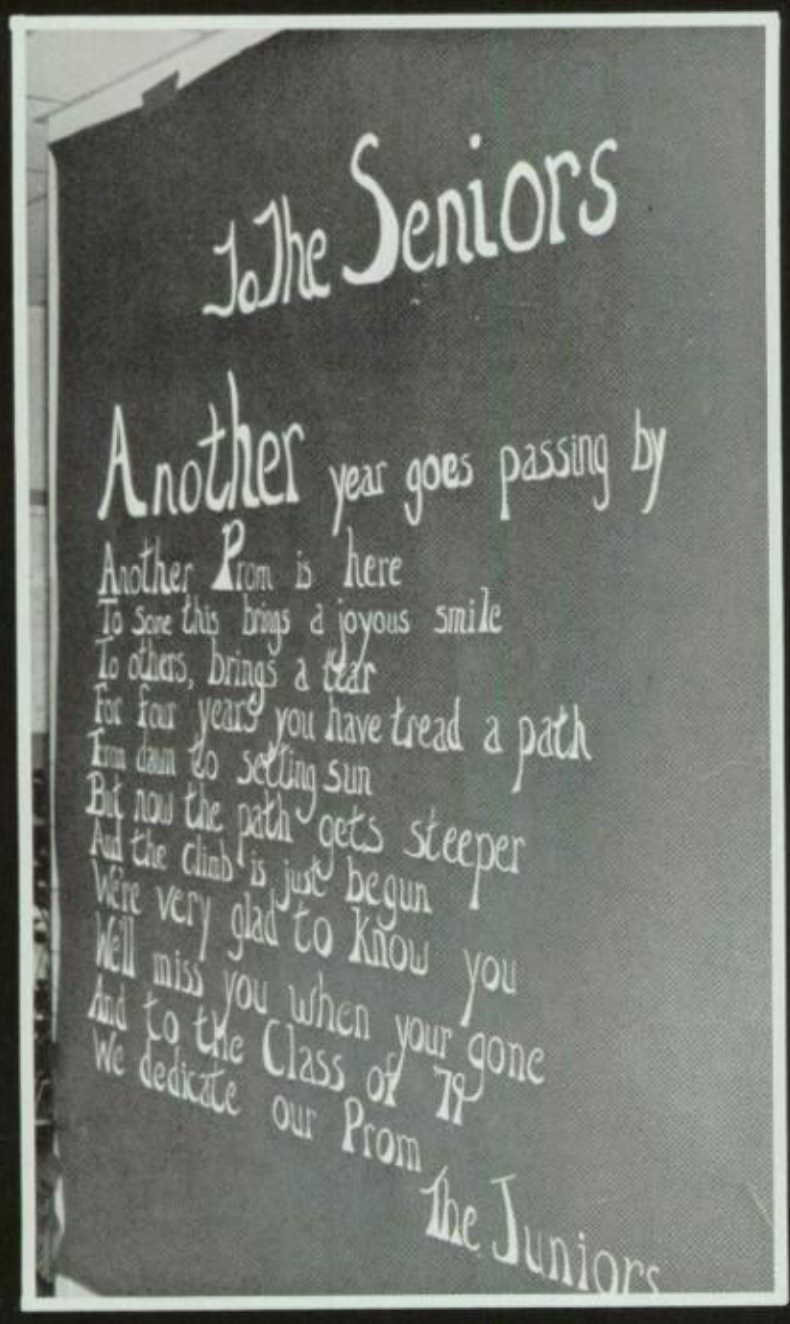
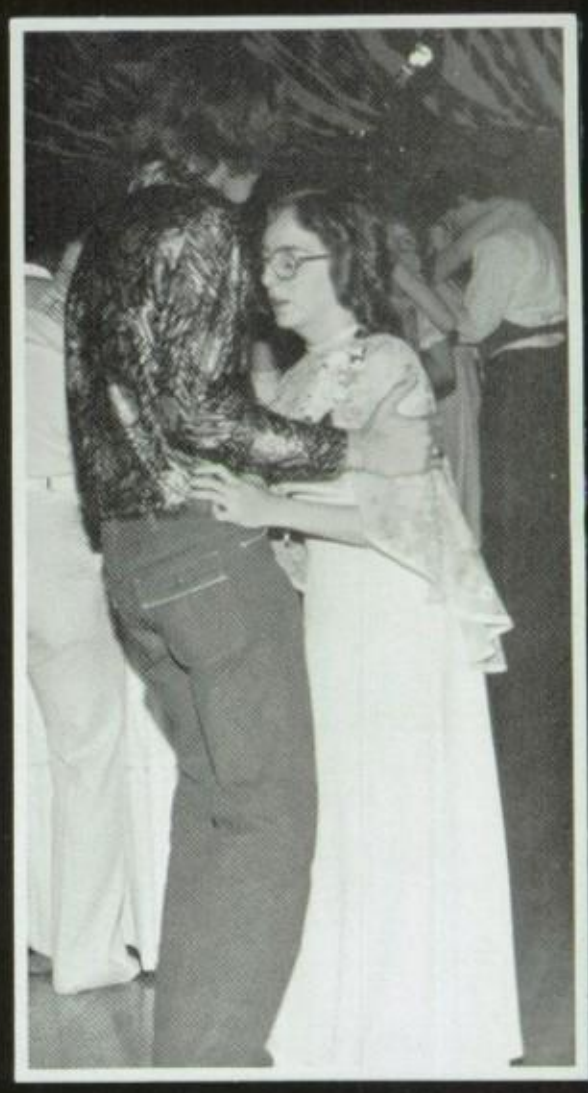
Many Enjoy The Jr.-Sr. Prom



To The Seniors
Another year goes passing by
Another Prom is here
To some this brings a joyous smile
To others, brings a tear
For four years you have tread a path
From dawn to setting sun
But now the path gets steeper
And the climb is just begun
We're very glad to know you
We'll miss you when your gone
And to the Class of '79
We dedicate our Prom
The Juniors



Prom Theme — "Always And Forever"

On May 12th, many attended the Jr.-Sr. Prom. It started with a sit-down dinner. Following the dinner, a dance was held in the gymnasium with music provided by Full House. Some enjoyed sitting at the tables and talking, while many enjoyed the music by dancing. Couples spent the rest of the evening bowling and watching the movie "Smokey and The Bandit." After the movie there was a Continental Breakfast served in the cafeteria.

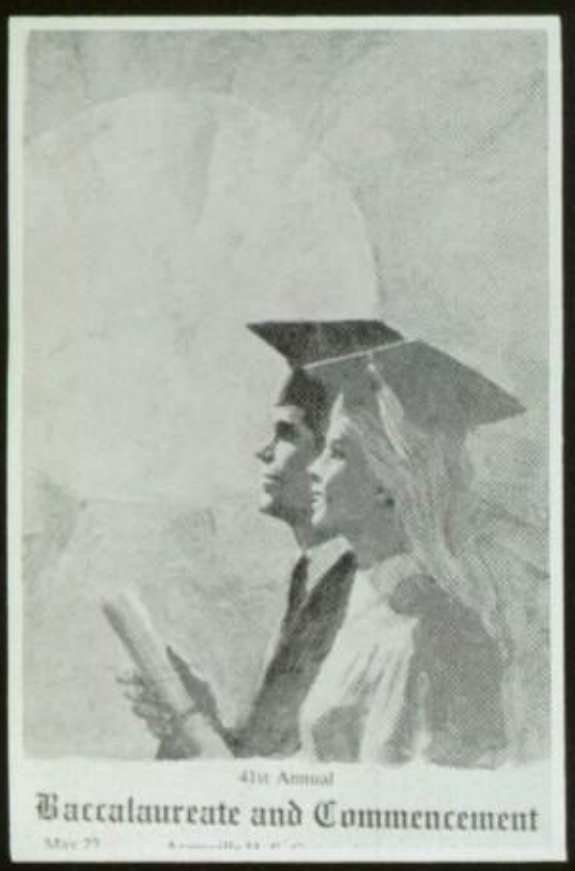
Commencement Exercises, Held On May 27, . . .



In preparation for Commencement exercises, everyone is fixing his or her hair, caps, gowns, and flowers. Some even have time to chat with others. As the beginning of the ceremony draws near, the tension and excitement mount. After the sermon, given by Reverend Gary Guinn, three fellow classmates give speeches. They are Cindy Okuley, Lisa Schubert, and Marvin Retcher. Outside, after the exercises are over, everyone is greeted by a feeling of relief. The thought in everyone's mind is, "WOW! I really made it!"

As the 1978-79 school year comes to a close, we, the Sohiray Staff continue to work hard on the yearbook, putting as many memories into it as possible. This book holds many memories, not only for those still in school, but also for those who have graduated many years ago. The special section in this book brings back memories for a lot of people, while it informs others of the history of the school. It is our hope that everyone enjoys looking through the pages of this yearbook.

I want to thank Dot Kratzer and Connie Ousley for helping me so much in creating these lasting memories. I also want to say a special Thank-You to Mrs. Martin for having a lot of patience and understanding when things weren't going quite right.
